יש לנו באג ...

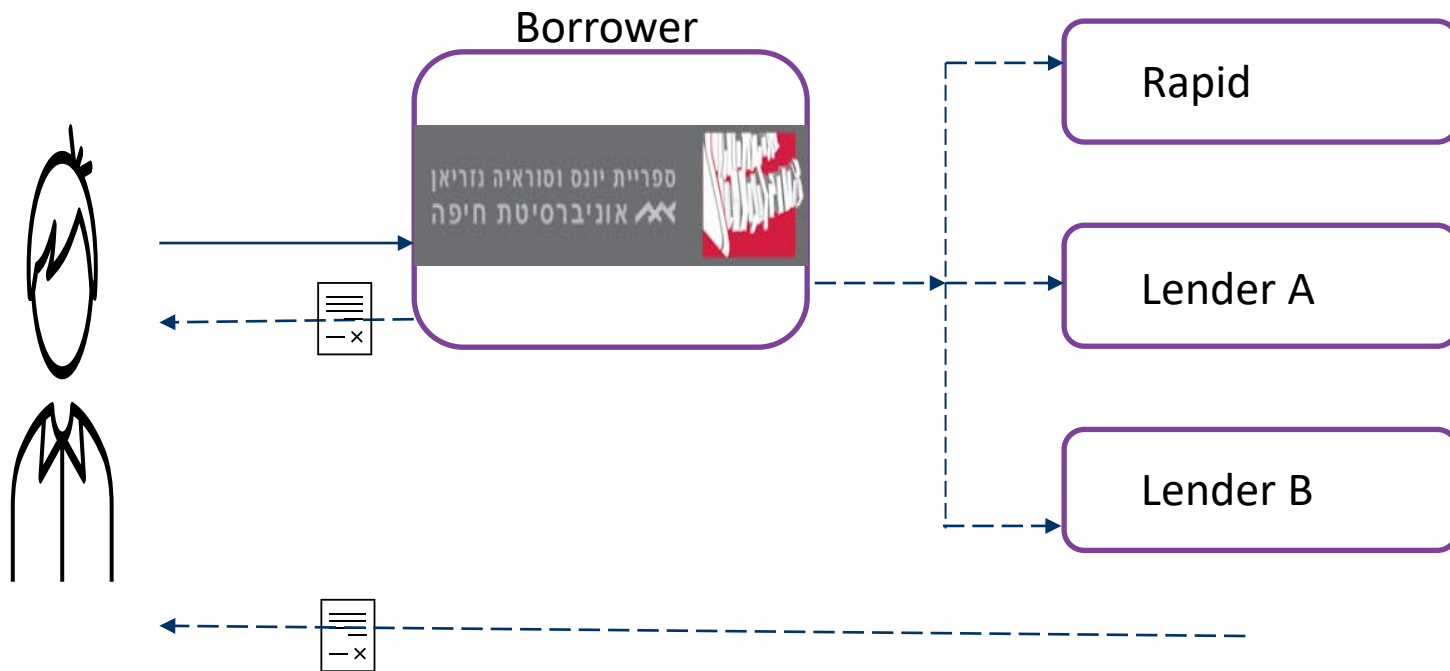

The screenshot shows the Alma configuration interface for a Resource Sharing Library. It is divided into several panels:

- Left Panel:** Contains navigation icons for Alma, Fulfillment, and General.
- Top Panel:** Shows the current configuration path: "Configuring: Resource Sharing Library".
- Center Panel (Edit Fulfillment):** Displays a list of fulfillment units. One unit is highlighted with a red box, showing:
 - Name: 14 Days Guests
 - Policy Name: scans - limited
 - Policy Description: physical-no limit
- Right Panel (Fulfillment Unit Rules Editor):** Shows the configuration for the selected unit. It includes:
 - Name: physical-no limit
 - Description: -
 - Created By: Kalach, Marina
 - Updated By: Kalach, Marina
 - Created On: 01/02/2022
 - Updated On: 01/02/2022
 - Input Parameters: A table with one row: Name (Request Format), Operator (=), Value (Physical).
 - Output Parameters: A table with one row: Terms of Use (Default terms of use - Customized Borrowing).
- Bottom Left Panel (Terms of Use Confirmation):** Shows a table of policies for the "limited scans" unit. The "Active resource sharing requests limit" policy is highlighted with a red box.

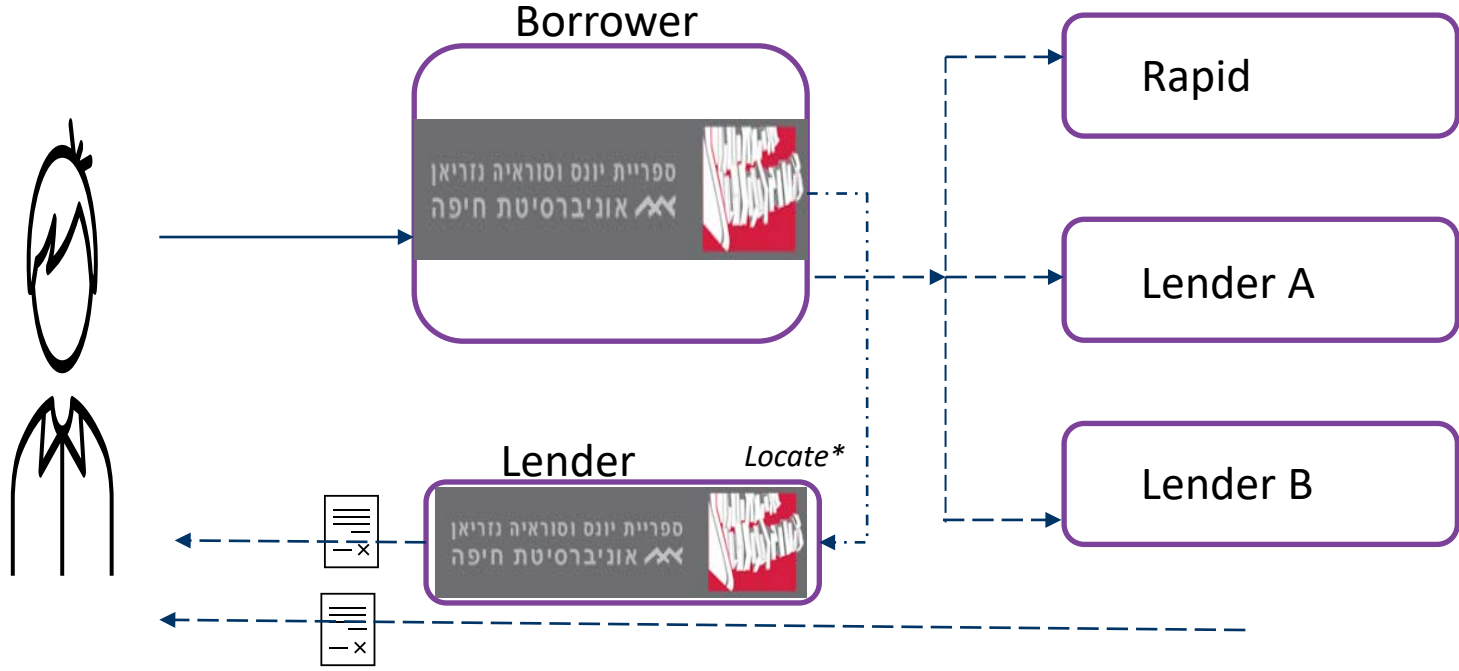

Policy Type	Policy Name	Policy Description
1 Allow Resource Sharing Requesting	Resource Sharing Allowed	Allow resource sharing requests
2 Resource Sharing Receive Fee	No Resource Sharing Fee	No fee for resource sharing requests
3 Resource Sharing Request Fee	No Resource Sharing Request Fee	No request fee for resource sharing request
4 Renew Fee	No Renewal Fee	Default No Renewal Fee
5 Active resource sharing requests limit	3 active requests	3 active requests
Yearly resource	No Yearly Resource	
- Bottom Right Panel (Terms of Use Confirmation):** Shows a table of policies for the "physical-no limit" unit. The "Active resource sharing requests limit" policy is highlighted with a red box.

Policy Type	Policy Name	Policy Description
1 Allow Resource Sharing Requesting	Resource Sharing Allowed	Allow resource sharing requests
2 Resource Sharing Receive Fee	No Resource Sharing Fee	No fee for resource sharing requests
3 Resource Sharing Request Fee	No Resource Sharing Request Fee	No request fee for resource sharing request
4 Renew Fee	No Renewal Fee	Default No Renewal Fee
5 Active resource sharing requests limit	No Resource Sharing Limit	No resource sharing limit
